

COOKIE NOTICE

Last updated: 05 October 2026

This Cookie Notice explains how **3Dformator OÜ**, a private limited company incorporated under the laws of Estonia, registry code 17593731, with its registered address at Harju maakond, Tallinn, Kesklinna linnaosa, Narva mnt 7, 10117, Estonia ("Company", "we", "us" or "our"), uses cookies and similar technologies on <https://meshgen3d.com/> (the "Website") and the Platform. It explains what cookies are, which types we use, why we use them, how long they remain on your device and how you can manage your choices.

We use cookies in accordance with Article 5(3) of Directive 2002/58/EC (ePrivacy Directive) as implemented in the Estonian Electronic Communications Act (Elektroonilise side seadus), Regulation (EU) 2016/679 (GDPR) and the Estonian Personal Data Protection Act (Isikuandmete kaitse seadus).

We place cookies which are not strictly necessary only if you have given your prior consent by actively selecting them in our cookie banner or cookie settings. Simply visiting or continuing to browse the Website does not constitute consent. You can refuse optional cookies as easily as you can accept them, and refusing them does not prevent you from using the Website and the Services.

This Cookie Notice should be read together with our Privacy Notice, which explains in more detail how we process personal data and which rights you have. Capitalised terms not defined in this Notice have the meanings given in our Terms of Service and Privacy Notice.

1. WHAT ARE COOKIES AND SIMILAR TECHNOLOGIES

Cookies are small text files that are placed on your device (computer, phone or tablet) when you visit a website. They allow the website to recognise your device and remember information such as your login status, language or other settings.

Cookies can be:

- **first-party cookies**, set by our Website, or **third-party cookies**, set by other providers whose services we use on the Website (for example, analytics or payment providers);
- **session cookies**, which are deleted when you close your browser, or **persistent cookies**, which remain on your device for a set period or until you delete them.

In this Notice, "cookies" also includes **similar technologies** which store or access information on your device, such as local storage, session storage, pixels (web beacons), software development kits (SDKs) and device-identification techniques. The same rules apply to them as to cookies.

2. TYPES OF COOKIES WE USE

2.1 Strictly Necessary Cookies

These cookies are strictly necessary to provide the Website and the Services you request. They enable core functions such as logging in and keeping you logged in, maintaining your session, security and fraud prevention (including protection against bots and attacks and the security of payments), load balancing, remembering items or settings you have explicitly chosen (such as the selected language), and storing your cookie preferences.

Under the ePrivacy Directive and the Estonian Electronic Communications Act, we do not need your consent to use these cookies. You can block them in your browser settings, but some parts of the Website, such as login and purchases, will then not work.

2.2 Optional Cookies

We use the following categories of cookies only with your prior consent:

- **Functional cookies:** remember choices you make to provide enhanced, more personalised features (for example, display preferences or recently used generation settings) beyond what is strictly necessary for the Service you requested.
- **Analytics cookies:** collect information about how visitors use the Website (for example, pages visited, time spent and links clicked), so that we can measure and improve its performance. Where possible, we configure analytics tools to minimise the data collected (for example, by shortening IP addresses). This data is pseudonymised, not anonymous.
- **Marketing cookies:** used, together with our advertising partners, to show you more relevant advertisements on other websites and to measure the effectiveness of our marketing campaigns. Where advertising partners use data collected through these cookies for their own purposes, they act as independent controllers or as joint controllers with us for the collection of the data, in accordance with their own privacy notices.

3. LIST OF COOKIES

The current list of cookies and similar technologies used on the Website, including for each of them its name, provider (and whether it is a first-party or third-party cookie), purpose, category and duration, is available in our cookie settings tool. You can access it at any time via the "Cookie settings" link at the bottom of every page of the Website, and it is also displayed in the cookie banner before you make your choice.

The list is kept up to date automatically on the basis of regular scans of the Website. Third-party providers who place cookies on the basis of your consent are named in the cookie settings tool, so that you know who receives the data before you give your consent.

4. COOKIE DURATION

Session cookies are deleted automatically when you close your browser. They are used to maintain your session and allow you to navigate the Website securely without logging in repeatedly.

Persistent cookies remain on your device for the period indicated in our cookie settings tool (see Section 3). We limit their lifetime to what is necessary for their purpose, and in any event to no more than thirteen (13) months. After that period, they expire automatically.

Your consent choices are stored for twelve (12) months. After that period, or earlier if we materially change the cookies we use, we will ask you again for your consent.

5. COOKIE PREFERENCES AND CONSENT MANAGEMENT

5.1 Cookie Banner and Settings

- When you first visit the Website, we display a cookie banner. It allows you to "Accept all", "Reject all" or choose cookie categories individually, and links to this Cookie Notice. Optional categories are switched off by default.
- No optional cookies are placed before you make your choice.
- You can change or withdraw your consent at any time, as easily as you gave it, by clicking the "Cookie settings" link available at the bottom of every page of the Website. Withdrawal of consent does not affect the lawfulness of processing based on consent before its withdrawal.
- If you refuse or withdraw consent, we will stop using the relevant optional cookies and, where technically possible, delete them. Strictly necessary cookies will remain active.
- We keep a record of your consent choices (date, time, version of the banner and the categories selected) in order to demonstrate that consent was given, as required by Article 7(1) of the GDPR.

5.2 Managing Cookies Through Your Browser

Most browsers allow you to view, delete or block all or some cookies. Instructions for popular browsers are available here:

- Google Chrome: <https://support.google.com/chrome/answer/95647>
- Mozilla Firefox: <https://support.mozilla.org/en-US/kb/enable-and-disable-cookies-website-preferences>
- Safari (macOS): <https://support.apple.com/guide/safari/manage-cookies-sfri11471/mac>
- Safari (iPhone and iPad): <https://support.apple.com/en-us/HT201265>
- Microsoft Edge: Settings > Cookies and site permissions > Manage and delete cookies and site data.

If you block all cookies, including strictly necessary cookies, some parts of the Website will not function properly.

If you have consented to analytics cookies provided by Google, you can additionally prevent Google Analytics from collecting data on all websites by installing the Google Analytics opt-out browser add-on: <http://tools.google.com/dlpage/gaoptout>.

6. PERSONAL DATA AND COOKIES

Cookies may involve the processing of personal data, such as your IP address, online identifiers and information about your use of the Website. The Company is the controller of personal data collected through first-party cookies. We process such data:

- for strictly necessary cookies, on the basis of our legitimate interests in providing a secure and functioning Website and the Services you request (Article 6(1)(f) of the GDPR) or, where they are needed to perform our contract with you, on the basis of Article 6(1)(b) of the GDPR; and
- for optional cookies, on the basis of your consent (Article 6(1)(a) of the GDPR).

Some third-party providers of cookies may process data outside the European Economic Area. In such cases, we ensure that appropriate safeguards are in place, such as an adequacy decision (including the EU-U.S. Data Privacy Framework) or the Standard Contractual Clauses adopted by the European Commission, as described in Section 10 of our Privacy Notice.

Device-identification techniques (such as device fingerprinting) are used only where strictly necessary for the security of your Account and the prevention of payment fraud, as described in our Terms of Service and Privacy Notice, and never for advertising purposes.

For more information on how we process personal data, the retention periods and your rights (including the rights of access, erasure and objection), please see our Privacy Notice. You have the right to lodge a complaint with the Estonian Data Protection Inspectorate (Andmekaitse Inspektsioon, Tatari 39, 10134 Tallinn, info@aki.ee, www.aki.ee) or with the supervisory authority of your habitual residence.

7. CHANGES TO THIS COOKIE NOTICE

We may update this Cookie Notice to reflect changes in the cookies we use or in legal requirements. The current version is always available on the Website, with the date of the last update indicated at the top. If we start using new categories of optional cookies or use cookies for new purposes, we will ask for your consent again through the cookie banner.

8. CONTACT US

If you have any questions about our use of cookies or this Cookie Notice, please contact us:
